

Technical Information: HAND HELD CASE WITH BATTERY COMPARTMENT & BELT/POCKET CLIP OPTION

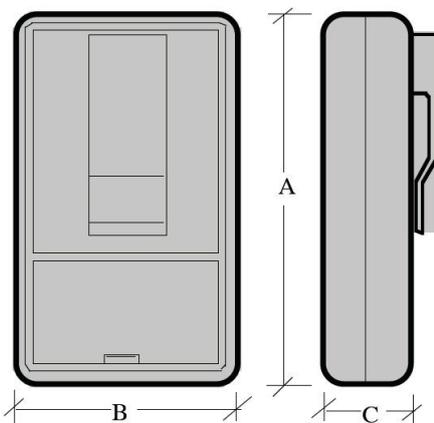

OVERVIEW

This High-impact matt finish black, white or light grey ABS case has an integral PP3 battery compartment with a removable cover and clip-in terminals supplied as standard. Other RAL colours are available on request and the highlighted feature panels make it ideal for personalisation. A pocket/belt clip is supplied for optional use and can easily be fixed to the case with two screws (supplied). The case is held together by two further self tapping screws which are concealed by the battery cover. Four integral location pegs and sockets will hold a PCB in place without any further fixing.

The pocket clip BPC1 is available separately.
